```

The map displays a complex urban environment with various labeled features. The road network is represented by red and green lines. Buildings are shown as blue areas. Labeled features include: bus_stop, position, vending_machine, street_cabinet, signal, traffic_light, bench, crossing, tree, bicycle_parking, lamp, shop, gate, restaurant, and give_way. A large black arrow points from the left towards the center, and a red arrow points from the center towards the bottom right.
